Dear Parent/Carer

You may not be aware that the Junior School had a visit from Ofsted recently. I am delighted to share that following a rigorous couple of days the Junior School was graded 'good' by the inspection team.

This means that both the Infant School and the Junior School are now graded as being good schools by Ofsted. The Junior School report will be published on the Ofsted website on 1st June and will be available on the Junior School website from that date.

Both schools will now continue to work hard to reach the final level and be graded as outstanding schools by Ofsted following any future inspections.

Yours sincerely

Mr Hurling
