

Dear Parents/Carers

Welcome to your summer/Autumn Menu, this menu will run all the way through to October. You can order as much or as little as you wish.

Thank you for all your support over this school year, it has been a very busy year for us all. For this menu we have worked with our butcher and some of our children to create it and we are very pleased with this one. Please feel free to email us with any menu suggestions you may have that we have not already tried.....Back by very popular demand is the breakfast as promised!

If anyone requires a word format order form please email your schools kitchen and they will send you one, this way you can save the blank copy, fill it in and email it back to us giving you a copy of the order also.

Our ordering system remains the same you can either pay via bank transfer or cash and you can either email your order to one of the emails below or hand in your order to school.

We are however trialling an online system in one of our schools so any change to our ordering system in your school will occur after October half term

Here are our bank details for transferring payment:

Sort code: 09-01-28, Account number: 63832500

please use your child's school and name as reference please. (please ensure a payment is made when booking your meal, all transfers are checked against the order, if no payment is available your order will not be processed. Please note we do not offer a credit service and all debt will be recovered before your child can continue having meals)

If you wish to order, amend an order or have a query please email your kitchens as your kitchens hold all the ordering information.

Please remember when emailing our kitchens that they only work school hours and will reply to you as soon as they can.
