## Nourish Hot Meals

We are aware that ParentPay have been contacting parents to inform them that they have until 9.00am in the morning to order a hot meal for that day.

We would inform parents that this facility is for emergencies only. Orders for hot meals should be made on-line by the Thursday evening of the previous week to ensure that your child is guaranteed the meal you have chosen. For any orders made on-line after this time Nourish will not be able to ensure that your child has the meal option you have chosen.

If you have any problems ordering on-line, or require log in details again to ParentPay, please contact the school office.

Thank you for your co-operation in this matter.
