

# Weekly Newsletter 2

## Sports Stars!

Well done to all the children who took part in the Archery Festival at Loatlands Primary School. We are proud of how you represented Rothwell School with super behaviour and manners!

## Forest School Next week

Tuesday - am Gosling class and pm Sparrow Class

Wednesday afternoon- Robin class

We have special news! How 'eggciting'- we will be receiving a number of eggs for Belinda and Bluebell to hatch. The classes in Reception will be watching their incubators to see signs of them hatching.

**PFA** Film night raised £800 across both Infant and Junior schools. We thank you for your continued support.

**Term Dates-** As a new date is added to the list over the page, it will be highlighted- not all year groups have been able to confirm dates for their trips yet- watch this space for more information each week!

Our time travellers club have enjoyed eating like a Roman this week. Last week they found out about cave paintings. Next week they will learn about the vikings.

**Ruby News!** Ruby our school dog continues to have a positive impact on all the children. She has supported children who have been reluctant to come into school, and has been read to by children who have reading difficulties. Please let us know if your child tells you how Ruby has helped in school.

This Thursday join us after school for **FUN on the Field**. 3.20-4pm stay on the school field and play in a safe place- use our equipment. Younger siblings also welcome. See the posters for more information. This will take place on a different day each week.
