

# Weekly Newsletter 10

*Newsletter Date*  
**24<sup>th</sup> November 2017**

## Value of the week

Our value next week is Empathy. This will be discussed in our assemblies, but also through topic learning in classes. Children will be able to earn golden tickets this week for showing empathy for others in the classroom, in the playground and towards each other.

## Clic Sargent

We welcomed Claire from the charity Clic Sargent into school this week to present her with a cheque for an amazing total of £1179.71. This money was raised from the sale of Sam's Little Cook Book which contains favourite family recipes sent in by members of the school community. The photo shows Sam Dawson, his Mum and his Nan presenting the cheque to Claire. Thank you to everyone who supported this project by supplying a recipe or by purchasing a copy of the book. Thank you also to BSH for meeting the costs of producing the book and to Chris Eliot who set up a link on the school website to support this event.

## Christmas Bazaar

Thank you to everyone who was able to come along and support the Christmas Bazaar. It was a very enjoyable event which raised a superb total of £924.00 for the PFA funds. Thank you to all the PFA helpers and staff who helped to organise and run the bazaar.

## Courteous Parking & Supervision

Please can everyone who parks near the school ensure that they are considerate of the schools' neighbours and that resident's drives are not blocked. We have had complaints from some of our neighbours in that they are unable to either get off their drives or enter them. Please can you also ensure that when dropping off or when collecting your children that they are supervised at all times and not putting themselves in danger by walking into the road, or climbing on walls or trees (especially the trees on the Junior School site). Thank You.

## Smoking around the school site

Whilst we would prefer that no-one smoked around the area in front of the school gates when collecting or dropping off children please can you ensure that if you are a smoking in these areas that cigarette ends are not dropped on the floor. It is disappointing to see the number of cigarette ends littering the area in front of the school gates. Thank you for your help in this matter.

## Diary dates:

1<sup>st</sup> December 8.50-9.30am Year 1 Maths challenge time in your child's classroom
