

Weekly Newsletter 12

Newsletter Date
8th December 2017

Thank you for the positive feedback about the first term school reports. The next one report will be out just shortly before the Easter holidays. There will also be the opportunity to meet teachers again and discuss the progress your child is making.

Bad weather

With snow forecast over the weekend we thought we would remind you of our procedures for informing parents of any school closures. This would be done via text message, the school Facebook page and through Radio Northampton announcements.

Knowing that the weather is now very cold, please ensure your child brings a warm winter coat to school, and hat, gloves and scarf also (named please). Many children routinely do not have a coat still currently.

Party contributions

The class Christmas parties are all happening soon. We would welcome money donations to cover the cost of the party food, rather than donations of food as we have done previously. This allows us to cater for special dietary requirements and also ensure we have the right amount for each class. Please send any donations to the school office.

Christmas Concerts

The Christmas concerts start next week. The children are doing evening performances are below is a reminder of when they need to be back at school for getting dressed into costumes.

Year R- 5.15pm back for performance

Year 1- 5.15pm back for performance

Year 2- 5.30pm back for performance

For the concerts during school time we will open the front gates near the Reception steps to allow entry for parents.

School Hot dinners

On January 18th we have changed the menu for school dinners. This day is Census day and some of our school funding is based on the number of children who take a school dinner that day. Please check online for your food orders- The revised menu now shows a Roast dinner for that day as this is one of the most popular meals each week.

For children who bring their own packed lunch, please be mindful that there should be a balance of items, to make a suitable meal. There has been an increase in the number of chocolate type snacks in the lunch boxes recently. Please never put lollipops into a lunch box- these are not healthy choices.

Dropping children off in the mornings

The ice and cold weather means we all have to be careful how we access the school site. We grit the playground where possible, but would ask that all parents and children take care. If you drive to school there is an expectation that you will also escort your child onto the premises, rather than dropping them off on the other side of the road for them to run in alone.

Diary dates:

Monday 11th December Nursery and Year R Pantomime performance in school

12th December Year 1 Christmas concert 2pm and 6pm Performance

13th December Year N 10am and 2pm Christmas sing along
