

Weekly Newsletter 16

Newsletter Date: 26th January 2018

Our Values

Next week the children will be talking and thinking about having Aspirations. Children on the Golden Table this week were chosen for showing resilience in learning and attitudes- not giving up when they have found something difficult.

Tuesday 30th January 10am PFA AGM

Any parent is welcome to attend this AGM. We would love to welcome any new members to our Fundraising team. Have you got some ideas you'd like share or ideas we could try to raise money for our School and Nursery settings?

Safer Internet day- 6th Feb

Everyone at RVIS will be working alongside the Junior school to ensure that all children know how to stay safe when using technology and what to do if they have any concerns. The children will spend the day learning the positive uses of the internet and how it helps us at home, school and work. Our themes will be 'Awareness' and 'Critical Eyes'. We will also send information home for you to share with your children.

<p><u>Did you know?</u> The Nursery, Infant School and Junior School have one Governing Body! The details of the people on our Governing Body can be found on our websites.</p>
--

Message from the Police...

Police were patrolling the parking around our school on Thursday, and commented that it was much better than when the fire engine was trying to highlight how much space emergency vehicles need to keep us all safe. Please refrain from parking on Single Yellow lines, and Zig-Zag markings. Tickets will be issued by the Police if they see any unlawful parking.

Phonics

We have published some helpful links to YouTube phonics videos and other resources to support your understanding of Phonics, sounds and Cued articulation. It says the pure sounds that children need to learn so that when they put the sounds together (blending) they can hear the word. This will help to improve their reading and spelling of words.
