

Weekly Newsletter 13

*Newsletter Date
5th January 2018*

HAPPY NEW YEAR!

We all hope you have had a lovely Christmas break and are ready, fighting fit for the Spring term,

Well Being Week

Next week all classes will be off their usual timetable, so that we can celebrate and learn about what being healthy and feeling well means. We will discuss physical and mental health as well as talking about feeling safe.

Term Dates

Please use our school website for checking term dates rather than NCC website. We do differ from NCC on a number of occasions, and this could affect your child's authorised attendances. If mistakes are made.

Our school website also shows the diary dates for the next 14 days on the main home page- this includes all of the dates from each year group's newsletters, which can be found also on the calendar tab. Next week's Newsletter will contain the complete list of dates for the Spring Term.

School Hot dinners- Reminder

On January 18th we have changed the menu for school dinners. This day is Census day and some of our school funding is based on the number of children who take a school dinner that day. Please check online for your food orders- The revised menu now shows a Roast dinner for that day as this is one of the most popular meals each week.

For children who bring their own packed lunch, please be mindful that there should be a balance of items, to make a suitable meal. There has been an increase in the number of chocolate type snacks in the lunch boxes recently. Please never put lollipops into a lunch box- these are not healthy choices.

Children eating a school dinner on this day will receive a free gift!
